“ Adele was a dear friend and member of our church in Reno, Nevada. Her grace and kindness touched so many lives. When she and her husband Ken moved to Reno with their sons Bill and Kevin they asked how they could help our ministries at the First Congregational Church of Reno. We wanted to start a new church in Southwest Reno where the population was booming in the 1980's. Ken and Adele stepped right up with their business and real estate acumen and took on the project, Her love of God and people helped create new church in no time at all. Adele touched our family in so many ways wonderful ways with her acts of love and kindness. She brings a smile to us every time we think of her! We cherish our time with Adele. Our prayers go out to Ken and Bill and Kevin.
