

Dr. Marie Talbot

June 17, 1955 - April 21, 2026

St George, Utah – Dr. Marie Talbot, 70, passed away on April 21, 2026 in St. George, Utah. Marie was born on June 17, 1955 in Honolulu, Hawaii to Frank and Marjorie Houser.

Dr. Talbot spent her childhood in Buena Park, CA before moving inland where she married, had three children, and began a long career in nursing. Her nursing career included two decades at Loma Linda University Medical Center as a Pediatric Oncology and Emergency Room nurse. Her adventurous spirit then led her to rural nursing at Kane County hospital in Kanab, Utah. Marie's journey through home health eventually led her to a passion for teaching. She began shaping the next generation of nurses at Mohave Community College's Colorado City, AZ campus. From there she taught as a professor of nursing at Dixie State College in St. George, Utah.

Marie's hobbies and interests included outdoor activities and gatherings with her children and grandchildren. She found great joy in visiting the beaches of her childhood, and she never turned down a good pina colada or a serving of crab legs. Marie was a dog-lover and spent her free time at Best Friends Animal Sanctuary with her Maltese companion, Gracie.

She is survived by her children and their spouses: Kelly and Jeremy Anderson, Jaime and Winston Williams, and Brian and Ashlee Scribner. Dr. Talbot is survived by her seven grandchildren Nathan, Jess, Jaxon, Ava, Aiden, Wren, and Addy. She is survived by her siblings, Julie, Cheri, Donna, and Kenny.

The family would like to thank Ridgeview Gardens and Zion's Way Hospice of St. George, Utah for the comfort and care provided to Dr. Talbot.
